

IT SPEC SHEET

System requirements

Ram

Minimum 512 Mb

CPU

2 GHz processor recommended

Disk

No data is stored on your hard drive

Screen settings

Resolution: 1024x768 recommended

Plug-ins

Flash Player 8

The game uses a Flash based interface and runs within the user's browser if Flash Player 8 is installed.

Browser

We recommend Microsoft Internet Explorer versions 6 or 7 or Mozilla Firefox 2.

Maximise the window to make full use of the screen space.

URLS used in content

These URLs may need authorising for students to access all the resources in the game.
